Goals:

For tekomp Danmark:

- Organize interesting country group meetings with relevant topics around technical communication
- Put an ear on the ground to understand the needs of potential/existing members of tekomp Danmark
- Help increasing the number of tekomp Danmark members
- Cooperate with the other Scandinavian technical communication organizations to organize shared events
- Learn good ideas from other country groups for the benefit of tekomp Danmark
- Continue to do all the above mentioned in a nice "load-sharing" country group leadership team

For the Assembly of Delegates:

- Bring up the special needs of tekomp Danmark
- Propose ideas and help voting for reasonable decisions in the AoD
- Help increasing cooperation between the different country groups
- Help to make tekomp Europe more attractive for potential members
